It's important to have a sturdy stand for practicing at home with proper posture, as well as a portable one to take to rehearsals.

Trumpet Stand

[\\$30.32 from amazon](#)

This is the best trumpet stand you can get and it fits right in the bell of the trumpet so you can take it anywhere! It's really hard to knock over so it keeps your instrument safe.

Hetmans No. 2 Valve Oil

[\\$9.99 \(approx.\) available at Long & McQuade](#)

The valve oil that comes with most trumpets is sometimes no better than water. This valve oil is used by most trumpet players and is unbeatable!

Trumpet Care Kit

[\\$15 \(approx.\) at any music store](#)

A care/cleaning kit is so important for keeping your trumpet running smoothly. It comes with brushes designed to safely clean all the hard to reach corners.

Arban Method Book

[\\$45 \(approx.\) available at any sheet music store](#)

For more advanced students (at least 1 year of playing). This 1.5 inch thick book has any exercise you could dream of. An essential for any trumpet player.

Straight Mute

[\\$60 \(approx.\) available at L&M](#)

As soon as a trumpet player joins a concert band, they will soon realize some pieces say "mute" all over the place. This is a good quality mute that will last them many years.
